

POLO TRUMPET - DJ & Trumpet

Professional DJ and live trumpeter | Unique fusion of electronic music and trumpet

PoloTrumpet is a Cuban DJ and live trumpet performer based in Dubai, delivering high-energy performances for elite club and beach club environments.

Graduated as a professional trumpet player, he combines strong musical training with dynamic live improvisation. From 2019 to 2025, he toured across Spain with PANORAMA, one of the country's largest live productions.

Currently a resident artist at Salvaje Dubai and Arrogante Dubai, PoloTrumpet blends DJ sets with live trumpet, moving through afro house, organic house, and melodic electronic music, always enriched by his original and sophisticated Latin touch.

With a strong stage presence and wide experience in premium nightlife, PoloTrumpet delivers a refined, energetic, and memorable show, ideal for Mykonos clubs and beach clubs.
